SEED GROWERS AND DEALERS.

"ALL QUOTATIONS ARE MADE FOR IMMEDIATE ACCEPTANCE, SUBJECT TO STOCKS REMAINING UNSOLD, AND CONFIRMATION OF ORDERS, ALSO STENOGRAPHIC ERRORS AND OMISSIONS, DELAYS AND CONTINGENCIES BEYOND OUR CONTROL."

Fremont, Neb., July 27, 1911

TO THE WHOLESALE TRADE:

We can now offer subject to the terms and conditions named, the quantities of the different kinds of seed at the prices named on the enclosed list, if desired for summer and early fall use, or if the growers with whom you have placed your contract orders have lost part of their crops and expect to make short deliveries.

We have made the prices low for round lots and prompt shipment. If small quantities are ordered, or deferred shipment requested, we shall be obliged to increase the prices according to the quantities ordered.

The cucumber and muskmelon offered have been grown from selected seed stocks under irrigation especially for seed purposes and are not to be considered with the lower priced seed saved from the culls after the best melons have been shipped. The watermelon and squash have been grown from selected seed stock furnished by ourselves and are fully equal to the stocks we have supplied the trade in former years.
